## PROFESSIONAL SUMMARY

Final-year ICT Application Development student at CPUT with hands-on experience building full-stack applications using Java, Python, and SQL. Experienced in developing web applications, working with databases, and applying object-oriented programming principles to write clean, maintainable code. Passionate about software development and eager to gain industry experience through a software engineering internship where I can contribute, learn, and grow under mentorship.

## TECHNICAL SKILLS

**Languages:** Java | Python | JavaScript | SQL | HTML | CSS

**Soft Skills:** Problem Solving | Team Collaboration | Communication | Attention to Detail

## PROJECTS & PRACTICAL EXPERIENCE

### Notes Web Application

- Built a full-stack web application using Python and Flask with user registration, login, and personal note management, following OOP principles and clean coding standards
- Developed the back-end data layer using SQLAlchemy with a SQL database for structured data storage and retrieval

### DailyWin – Task Management App

- Built a full-stack task management app using Laravel 12 with role-based access control, task CRUD, assignment, and deadline email reminders
- Used Laravel Breeze for authentication, Blade for templating, and SQLite as the database

### Student Event Platform For CPUT

- Built the back-end data layer in Java following OOP principles and coding standards, including a storage system to handle data in and out
- Wrote unit tests using JUnit 4, applying test-driven development practices to validate core functionality

## WORK EXPERIENCE

### Internet Café Assistant

June 2022 – Feb 2023

Uitenhage | Eastern Cape

- Gained experience troubleshooting and resolving hardware, software, and connectivity issues for customers daily, which helped me develop strong problem-solving and technical support skills
- Handled cash transactions and managed accurate daily financial balancing, learning how to stay organised and responsible in a customer-facing environment

## EDUCATION

### Diploma in ICT Application Development

Cape Peninsula University of Technology (CPUT)

Western Cape, Cape Town

### Higher Certificate in ICT (NQF 5)

Cape Peninsula University of Technology (CPUT)

Western Cape, Cape Town

### National Senior Certificate (Matric)

Solomon Mahlangu Secondary High School

Eastern Cape, Kwanobuhle
